

SHIPWATCHER NEWS

Sponsorship Program

In an effort to continue to produce the Shipwatcher News newsletters as free publications, I have instituted a sponsorship program to help support upgrades to the business. The money raised will go towards covering costs for the website, materials, and advertising costs. Should they desire, donors will be recognized in the Shipwatcher News newsletters as well as on the website. As of March 10, 2020, \$615 has been generously donated. Please fill out this form if you feel moved to participate in the sponsorship program.

Thank you for your support, and Don't Give up the Ship!

Brendan Falkowski
Owner, Shipwatcher News
