

SHIPWATCHER NEWS

Sponsorship 2021

In an effort to continue to produce the Shipwatcher News newsletters as free publications, I have instituted a sponsorship program to help support upgrades to the business. The money raised will go towards covering costs for the website, materials, advertising, and technology upgrades. Last year, Shipwatcher News was able to raise over \$800, and would like to exceed the funds raised before. Should they desire, donors will be recognized in the Shipwatcher News newsletters as well as on the website. Please fill out this form if you feel moved to participate in the sponsorship program.

Thank you for your support, and Don't Give up the Ship!

Owner, Shipwatcher News
